

# IALP 2022 Program Overview

## Singapore & Shenzhen (Time Zone: UTC+8)

Time (Beijing)		Wednesday, 26 Oct	Thursday, 27 Oct		Friday, 28 Oct									
From	To		Track I	Track II	Track I	Track II								
8:00	8:15		08:00 Opening Ceremony		08:00									
8:15	8:30													
8:30	8:45		Keynote Speech (Prof Deyi Xiong)		Asian Language Research Forum									
8:45	9:00													
9:00	9:15													
9:15	9:30													
9:30	9:45		09:30 Break, Networking		09:30 Break, Networking									
9:45	10:00		S1: Semantics and Sentiment Analysis		S5: Dialogue, Q&A and Text Generation									
10:00	10:15						10:00							
10:15	10:30													
10:30	10:45													
10:45	11:00													
11:00	11:15													
11:15	11:30													
11:30	11:45		S2: Phonetics, Morphology and Phonology		S6: Language Education      S7: Corpus, Knowledge Base and NLP Application									
11:45	12:00						12:00							
12:00	12:15						12:00 Lunch Break, Networking							
12:15	12:30													
12:30	12:45													
12:45	13:00													
13:00	13:15						13:00							
13:15	13:30		S3: Character Recognition and Speech Processing      S4: Text Classification, Information Extraction and Named Entity Recognition		S8: Machine Translation									
13:30	13:45						15:00							
13:45	14:00						15:00 Break, Networking							
14:00	14:15						15:30							
14:15	14:30													
14:30	14:45													
14:45	15:00													
15:00	15:15		S3: Character Recognition and Speech Processing      S4: Text Classification, Information Extraction and Named Entity Recognition		S8: Machine Translation									
15:15	15:30						16:30							
15:30	15:45						16:30 Closing Ceremony							
15:45	16:00						S3: Character Recognition and Speech Processing      S4: Text Classification, Information Extraction and Named Entity Recognition		S8: Machine Translation					
16:00	16:15										17:30			
16:15	16:30										S3: Character Recognition and Speech Processing      S4: Text Classification, Information Extraction and Named Entity Recognition		S8: Machine Translation	
16:30	16:45													
16:45	17:00													
17:00	17:15													
17:15	17:30													
17:30	17:45													
17:45	18:00		S3: Character Recognition and Speech Processing      S4: Text Classification, Information Extraction and Named Entity Recognition		S8: Machine Translation									
18:00	18:15	18:00												
18:15	18:30	Welcome Reception					S3: Character Recognition and Speech Processing      S4: Text Classification, Information Extraction and Named Entity Recognition		S8: Machine Translation					
18:30	18:45													
18:45	19:00													
19:00	19:15										S3: Character Recognition and Speech Processing      S4: Text Classification, Information Extraction and Named Entity Recognition		S8: Machine Translation	
19:15	19:30													
19:30	19:45		S3: Character Recognition and Speech Processing      S4: Text Classification, Information Extraction and Named Entity Recognition		S8: Machine Translation									
19:45	20:00													
20:00	20:15													
20:15	20:30													
20:30	20:45													
20:45	21:00													
21:00	21:15						S3: Character Recognition and Speech Processing      S4: Text Classification, Information Extraction and Named Entity Recognition		S8: Machine Translation					
21:15	21:30		Banquet
