CALL FOR ABSTRACT : POSTER PRESENTATION

We welcome abstracts for poster presentations.

Submission Guidelines:

- An individual may submit a maximum of two abstracts.
- Abstracts should **NOT** exceed 250 words and **DO NOT** include tables, figures or graphs.
- The abstract should cover the following:
 - **Purpose** - The introductory sentence(s) may be stated as a hypothesis, a purpose, an objective, or as current evidence for a finding. Hypothesis is a supposition or conjecture used as a basis for further investigations. Purpose is a statement of the reason for conducting a project or reporting on a program, process or activity. Objectives are the result that the author is trying to achieve by conducting a project, program, process or activity.
 - **Method** - Briefly describe the methods of the project to define the data or population, outcome variables, and analytic techniques, as well as data collection procedures and frequencies. A description of statistical methods used may be included if appropriate.
 - **Results** - The results should be stated succinctly to support only the purpose, objectives, hypothesis, or conclusions.
 - **Conclusion** - The conclusion(s) should highlight the impact of the project and follow the methods and results in a logical fashion. This section should not restate results. Rather, the utility of the results and their potential role in the management of the project should be emphasized. New information or conclusions not supported by data in the results section should be avoided.
