September 14-18, 2014

INTERSPEECH is the world's largest and most comprehensive conference on issues surrounding the science and technology of spoken language processing, both in humans and in machines.

The theme of INTERSPEECH 2014 is "Celebrating the Diversity of Spoken Languages". INTERSPEECH 2014 emphasizes an interdisciplinary approach covering all aspects of speech science and technology spanning basic theories to applications. In addition to regular oral and poster sessions, the conference will also feature plenary talks by internationally renowned experts, tutorials, special sessions, show & tell sessions, and exhibits. A number of satellite events will take place immediately before and after the conference. Please follow the details of these and other news at the INTERSPEECH website [www.interspeech2014.org](http://www.interspeech2014.org).

We invite you to submit original papers in any related area, including but not limited to:

- 1: Speech Perception and Production
- 2: Prosody, Phonetics, Phonology, and Para-/Non- Linguistic Information
- 3: Analysis of Speech and Audio Signals
- 4: Speech Coding and Enhancement
- 5: Speaker and Language Identification
- 6: Speech Synthesis and Spoken Language Generation
- 7: Speech Recognition - Signal Processing, Acoustic Modelling, Robustness, and Adaptation
- 8: Speech Recognition - Architecture, Search & Linguistic Components
- 9: LVCSR and Its Applications, Technologies and Systems for New Applications
- 10: Spoken Language Processing - Dialogue, Summarization, Understanding
- 11: Spoken Language Processing -Translation, Info Retrieval
- 12: Spoken Language Evaluation, Standardization and Resources

A detailed description of these areas is accessible at:

[http://www.interspeech2014.org/public.php?page=conference\\_areas.html](http://www.interspeech2014.org/public.php?page=conference_areas.html)

### **Paper Submission**

Papers for the INTERSPEECH 2014 proceedings should be up to 4 pages of text, plus one page (maximum) for references only. Paper submissions must conform to the format defined in the paper preparation guidelines and provided in the Authors' kit, on the INTERSPEECH 2014 website, along with the Call for Papers. Optionally, authors may submit additional files, such as multimedia files, which will be included in the official conference proceedings USB drive. Authors must declare that their contributions are original and are not being submitted for publication elsewhere (e.g. another conference, workshop, or journal). Papers must be submitted via the online paper submission system. Full paper submission deadline is on Monday 24-March-2014 midnight (11:59pm) GMT, after which updates of the pdf file will be permitted until 31-March-2014 midnight GMT but the title, author, abstract and topics cannot be changed. There will be no extension of deadlines. The conference will be conducted in English. Information on the paper submission procedure is available at:

[http://www.interspeech2014.org/public.php?page=submission\\_procedure.html](http://www.interspeech2014.org/public.php?page=submission_procedure.html)

### **Important dates:**

Full Paper submission deadline.....	24 March, 2014
Notification of Acceptance.....	10 June, 2014
Camera-ready paper due.....	20 June, 2014
Early registration deadline.....	10 July, 2014
Conference dates.....	14-18 Septembre, 2014

**There will be no extension to the full paper submission deadline.**

We look forward to welcoming you to INTERSPEECH 2014 in Singapore!
